### CLEARINGHOUSE RULE 03-057

#### Comments

**[NOTE:** All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 2002.]

#### 2. Form, Style and Placement in Administrative Code

The treatment clause of s. CSB 2.08 should state that s. 961.18 (3) (o) is created because the rule is creating the entire paragraph, not just the subdivision of the paragraph. In addition, a subdivision is not typically created unless there is more than one item to list. However, it is recognized that the board may be anticipating the addition of subdivisions in the future.
